Swimming Lessons Chandler

AquaSafe Swim School provides Scottsdale, North Phoenix, Cave Creek, Fountain Hills, Gilbert, Chandler, Queen Creek, and Mesa families with an alternative to 'typical' swim lessons. We proudly provide year-round, small group instruction in our warm indoor swimming pool where parents can watch their children's progress from the comfortable viewing gallery. Our instructors are experienced, caring professionals who have a passion for teaching swimming and water safety.

Our state-of-the-art salt sanitation system lets your child swim in a sparkling-clean pool without the chlorine effects of red eyes, itchy skin, green hair, or sensitivity to chlorine in the air.

Our Mission

The mission of AquaSafe Swim School is to foster a love for swimming and a respect for water in a safe, fun, and nurturing environment.

Swim Lessons

We operate a perpetual schedule. Customers have the flexibility to begin and end classes based on their needs. We accept customers any time! Simply prioritize days and times that work for your family, and then give us a call to see what's available.

Our Philosophy

Teaching children to be safe in and around water is our number one priority - particularly in an area where almost every house has a swimming pool. We not only have to protect our children in our own homes, but in other homes as well. In addition to teaching children to swim, we provide their parents with helpful safety information.

Birthday Parties

No matter what the occasion, kids love to have their parties at AquaSafe. Each party has the entire pool to itself, and includes plenty of music, games, and fun created especially for the special event. Our facility is bright, cheerful and child-friendly. AquaSafe takes the stress and hassle from parents by handling everything from invitations to clean-up. Kids have a blast and parents rest easy.

Birthday Party Package

AquaSafe will provide all party decorations and paper goods.

A yummy cake is supplied with your choice of flavors and decorations.

Family Swim Night

The first Saturday of every month evening from 5 to 7 p.m. (Scottsdale) we offer our Family Swim for students and their families to have fun, spend time together and work on swimming skills. The cost is $5 per person or $15 per family, whichever is less, and kids under 3 swim free with a paying adult. Guests are encouraged so your child can show off his/her great swimming skills!

If you missed a lesson during the week, this is the perfect time to work on the skills taught during that lesson. In these cases, the swimmer and his/her family swims free.
